Advertising Media Print Nonprint Fulfillment

The digital world makes it possible for a sole managing partner of a media company and production agency who has been active in NRW for almost 35 years to change the center of life to .

The intention is to be found if necessary. in an office community with related companies (advertising agency, production agency, graphics or printing house) in order to create a win-win situation in a community - or even to participate in a media company.

The overall construct has a good, long-standing adult network in all media segments. By , completely self-sufficient and fully integrated in offset printing, dialogue marketing, fulfillment, the process of change to a pure production agency and network has been completed.
