Ceramic Retail Business

Due to personal changes, we want to sell our company/brand specializing in unique handmade ceramics. The company is located in and operates a flagship store in a prime location in . There is an additional 220m2 of space available for further expansion. The exclusive manufacturing and sales rights, as well as the branches in Germany and London, will also be included in the sale. It is an established company with a good reputation, and the sale includes a fully operational infrastructure.
