Trade in individually designed work gloves

We are the exclusive sales partner of the manufacturer and responsible for sales in DACH. We manufacture work gloves of all kinds with design according to customer requirements, e.g. in the CI or as advertising material.

We cooperate exclusively with the largest European production of its kind.

There is great potential for a successor or partner. Our goods are almost exclusively reordered by our customers.

A possible retirement on my part as is age-related.

The place of residence of a possible interested party is not relevant.
