Guesthouse with gastronomy

We have been operating a guesthouse since 2023 with currently 9 rooms and 2 holiday apartments.

2 more rooms will follow shortly.

At the moment, there is only a pure rental, but we would also like to operate the gastronomy and need a capital of € 15,000.00 for this.

So far, 8030 overnight stays have been made.

The demand for a restaurant for overnight guests as well as people from the surrounding area is great.
