Trade and installation of sun protection systems

Offer company sale, company sale in the field of sun protection

The company is headquartered in Rhineland-Palatinate, postal code 55

We are looking for a successor due to age or we offer a sale of our specialist company for sun protection (sales, installation and repair of roller shutters, awnings, patio roof systems, sun sails, insect screens, external venetian blinds and other products)

A representative exhibition (400 m²) with a spacious outdoor area (3000 m²) and adjoining office, storage and workshop area is available.

Due to the location in an industrial area with shopping markets, there is also a high traffic frequency. Thus, a good visibility of the company for potential new customers is also given. The site is located at the intersection of 3 counties.

Our company was founded in 1992. In recent years, annual sales have ranged from €800,000 to €1.1 million. The company has a good order utilization.
