Beauty salon

I am giving up my popular beauty studio due to a change of career.

The shop is located on the main street on the ground floor with large shop frontage, great views and good transport links. The business has existed for many years and is therefore well known.

The shop area is 100 sqm and is divided into 5 rooms. Additional storage area in the basement.

The salon is fully furnished (including furniture, appliances and goods and consumables). Equipped kitchenette and appliances.

Currently, I offer nail design, pedicures, cosmetics, hair removal, massage and eyelash styling.

A nice, loyal customer base is available, which I pass on with.

Rent: 860 € plus utilities
