Gardening and landscaping business

A company that has been established in the field of gardening and landscaping for more than 20 years is offered for sale. There is a wide variety of services in this sector that stand out to a great extent. The company attaches great importance to the design and construction of complete gardens, including the construction of terraces, paths, stairs and walls. A reliable partner provides the offer for pool construction. In the company, the graphic design of all tasks is carried out by the employees.

As a rule, the area to be worked extends to a maximum distance of 35 km and consists of private customers. There is no comparable competition in this area.

The online sale of gabions and accessories via the company's own online shop offers an attractive profit in addition to an attractive margin of 20%.
