Tanning Salon

Commercial advertisement: tanning salon for sale with inventory takeover

Due to health reasons, we are offering our well-established tanning salon for takeover. The tanning salon offers a stable income and is located on a main street with plenty of parking. It covers an area of approximately 110 square meters and includes a total of 7 sunbeds. 2 of these are brand new and are currently being financed, while the remaining 5 sunbeds have already been paid off.

Our tanning salon was recently completely renovated and is in a very modern condition. It has a loyal, regular customer base that provides a solid and regular source of income. The monthly costs are extremely clear thanks to the cheap rent for the commercial unit.

Selling the tanning salon offers a great opportunity for a dedicated entrepreneur who wants to start their own business in the wellness or beauty industry. The studio has great potential for further growth and success.

If you are interested in taking over or would like further information, please do not hesitate to contact us. We will be happy to answer any questions you may have and to give you a tour of the tanning salon.

Please note that the sale and takeover must take place taking into account the applicable legal provisions and regulations.
