Search property management in the Rhine-Main area

Search for a property management company with an annual turnover of at least 1 million euros for takeover in the Rhine-Main area, including Ludwigshafen and Mannheim. I am particularly interested in companies that provide a solid foundation for growth and development.

I am motivated to make a positive contribution to the continued success of the property management company and look forward to the opportunity to connect with owners who are looking for a succession plan. My goal is to create a trusting and mutually beneficial transition arrangement.

For a first conversation and more information about my ideas.
