Look for Corporate follow-up, firm follow-up, follow-up

## Forwarding

We are a small family-run transport company, established and experienced in the market. We are active from the Thuringia area and throughout Europe. We have our own customer base, our own fleet of vehicles and our own company premises with offices, workshop, petrol station and washing area. We are looking for a successor. We have been successfully operating in the industry for 32 years.

### Succession

Region 98, Germany

Entry in own name
