Copy Shop

Copyshop on the market since 2002. 40% private & 60% corporate customers. Wide range of services including graphic design, digital & offset, textile printing. Diverse clientele from different industries.

- For private reasons, I am selling my established business. The Copy Shop has been around since 2002 and benefits from a loyal customer base made up of private and corporate customers.
- The copy shop serves a diverse clientele from various industries, including coaches and consultants, institutes, event agencies, architectural offices, doctors, artists, real estate companies, craft businesses, catering businesses and many more. Our customers come from a wide variety of areas, including neighbouring towns, and appreciate the quality of our printing and design services as well as our personal service. This is due to our good local reputation, but also to a good Google ranking and correspondingly numerous positive reviews.
