## **Sale and repairs of electric vehicles (two-wheeler)**

Electro friend,

We are looking for a successor who sees his future in the field of electromobility in the two-wheeler segment. Our beautiful store in Ludwigshafen is looking for a passionate successor to e-scooters from the brands ePowerFun, Trittbrett-Original, VMAX and Egret. In the field of e-scooters (45/120 km/h), we have not only established a successful partnership with the manufacturer TISTO from Freiburg. For senior mobility, we offer Rolektro vehicles. The sale and repair of these vehicles are extremely beneficial. Our workshop employs three mini-job employees who perform their tasks conscientiously and reliably.

I offer a thorough introduction to the world of electric company was founded in 2022 and has already built up a loyal clientele.
