Offer Corporate participation, firm participation

Real estate management

Offer silent or active company participation
Swiss real estate and asset management GmbH.

The company can acquire residential and commercial properties of any size in Switzerland without restrictions.

This opens up a number of interesting opportunities for investors:

- Invest capital in one of the safest and most stable countries in the world;
- to invest capital in secure assets/real estate that permanently increases in value;
- generate long-term stable returns;
- Due to an existing high loss carryforward of 1 million CHF, no taxes are due in a corresponding profit situation;
- to create the basis for a permanent residence permit in Switzerland;
- and much more

Goals:

- The amount of participation is possible from 10% to 70% of the company shares;
- Generate investment capital in the form of earmarked shareholder loans.
(Security through first-class mortgage);
- Through very good contacts with estate managers, asset managers and property managers
is the purchase of interesting real estate properties on the conventional real estate market not offered at all, secured;
- Own property management is available;
- Long-standing tax office;

Participation from 10% = € 20,000
