Indoor climbing hall

For reasons of age, the climbing hall is looking for suitable successors/continued operators. The hall was founded by us in 11/ and has been operated exclusively by us since then.

Hall size 1200 m², wall area 900m², bistro and counter area, sufficient parking spaces in front of the hall, plot size 3000m²,

a further long-term lease (with the purchase of the climbing walls + inventory) as well as a complete purchase (hall + climbing walls + inventory) would be possible.

Good accessibility = direct motorway connection (1 min.), as well as bus stop directly at the hall.
