Textile wholesale

The company is long-established and has developed over the years into a leading provider of material and creative ideas for opera, drama and film. The basis is an extensive fabric warehouse with a very wide range of colours and applications, even for unusual ideas.

The location is in a major German city north of the Main. The showroom, offices and a partial warehouse are located in a property owned by the owner family. Further storage space is rented nearby. The total area is more than 3,200 sqm.
