

Offer Corporate follow-up, firm follow-up, follow-up **Bridal Shop**

Unfortunately, we have to give up our bridal fashion business for health reasons. We would be very happy if someone could be found to continue the business.

We offer a direct takeover including the entire inventory and around 400 wedding dresses and two-piece suits (mix and match) from a wide variety of designers (mostly from the 2collections).

The air-conditioned salon on a total of 400 square meters consists of two bedrooms, 3 dressing rooms, a fully equipped kitchen and customer toilets. In addition, there is a warehouse.

The store has been lovingly furnished and renovated by us.

Value of the wedding dresses and accessories over 150,000 euros.
