

Look for Corporate follow-up, firm follow-up, follow-up **IT services**

We are two experienced serial entrepreneurs and are looking for new investment opportunities after the successful exit of our last company. We are particularly interested in medium-sized companies in succession situations, where we can also provide active support on site – as needed and not absolutely necessary.

Our search criteria are:

- Profitable company with stable sales and a profit (before taxes and interest) of at least EUR 300,000
- High proportion of recurring sales and a healthy customer structure (no dependence on one customer)
- Industry: agnostic, preference is given to services without the use of machinery (e.g. IT, household services)
- Location in Germany, 5h Radium around

If your company matches our search profile, we look forward to hearing from you and providing further information.

Thank you very much
