Copy Shop

For sale is a well-established copy shop, located in a superb location on top of a busy shopping centre. The shop offers a wide range of services related to printing, copying and design on approx. 400 m² and is characterized by an extremely low warm rent of only 950€ per month. The location in the shopping center offers numerous advantages, including a high number of walk-in customers and a large parking lot directly on site, which makes accessibility optimal for customers.

Details on the situation and competitive situation

Thanks to the large car park and excellent connections, the location is extremely easy to reach for customers. There is little competition in the immediate vicinity. This provides a unique opportunity to establish itself as a leading service provider in the region.
