## **Temporary Employment Personnel Service Provider**

They come from the field of personnel services (placement or leasing, i.e. ) and want to become self-employed? Or you can operate a

Are you a personnel services company and want to expand?

Then you've come to the right place, a personnel service provider is in the middle of the handover.

I would like to reorient myself professionally and am therefore giving up my company.

The company form is a GmbH and was founded over 2.5 years ago.

We have been able to establish ourselves well so far.

Permission for temporary employment is of course available.

The office is bright and modern.

Complete EDP is available (computers, printers, e, mobile phones).

PPE available (safety shoes, work clothes,...)

The monthly fixed costs (~3,000â‚¬) are absolutely manageable.

You can get started right away. Applicants are available, unfortunately 10-20 external employees.

The offer is ideal for start-ups or for existing companies that are expanding want.
