

The big business marketplace

Business for sale more than 15 years

ID 25909

Offer Corporate sales, firm sales, sales

Smartphone / Notebook / Macbook / Pc Repair

Dear interested parties,

The business has been in existence for more than 9 years now.

A variety of services are offered, such as repairs of smartphones, tablets, Macbooks, iMacs and PCs of any manufacturer.

As well as software solutions for these devices.

Support in setting up the devices for customers, data transfer and data recovery.

Micro-soldering (circuit board repair) is also offered.

Recently, I have come to the decision to continue my education in another field and would now like to graduate with this field.

Everything that belongs to the inventory of the trade is transferred to the buyer.
