Business for sale more than 15 years

ID 26008

Offer Corporate sales, firm sales, sales **Recruiter**

For sale is an established company in the field of temporary employment, specializing in the provision of qualified specialists in the industry, trade and logistics sectors. Since its foundation, the company has built up a stable network of medium-sized customers through close customer relationships and targeted specialization. The high quality of recruitment is guaranteed by intensive, personal support, which leads to an extremely low misplacement rate and a high level of customer satisfaction. The company is characterized by above-average employee satisfaction, transparent payroll and invoice processing, and efficient operational organization. The employees have different qualifications, from warehouse clerks to specialized skilled workers, which allows for flexible deployment according to the needs of the customers.
