Joinery

For sale is an established joinery with extremely good relationships and a very exciting service portfolio. The company has extensive expertise in consulting, planning, manufacturing and assembling furniture and room concepts – regardless of whether it is a single piece of furniture, a doctor's practice or an entire house. The company is family-owned and is already in its 3rd year. generation. Through constant further development of the planning area, the introduction of computer-aided production technology and the high quality, the carpentry workshop has earned an outstanding reputation over the years.
