## Look for Corporate participation, firm participation **Building damage, drying, mould remediation, household contents**

We are looking for a business partner who wants to participate in a fast-growing industry. The building damage is increasing every year, a crisis-proof industry. Restoration of damage to buildings, in particular property damage (fire, water, storm, burglary/vandalism) and liability insurance damage; the services are provided in the product areas of first aid/emergency service, renovation and repair as well as drying of buildings after water damage.

### [Participation](#)

Region 58, Germany

Entry in own name
