

The big business marketplace

Business for sale more than 15 years

ID 26246

Offer Corporate sales, firm sales, sales

Online trading

For sale is a company from the online sector. The company was founded and built up by me 6 years ago.

The company has two product groups. The first segment includes the following group: toys, collectibles such as trading cards, collector's stickers, collectible dolls, collectible figures, magazines. All licensed goods with manufacturers from the EU.

The second segment includes the following product group: jewelry, including stainless steel necklaces, leather chains with stainless steel pendants, stainless steel rings, natural stone necklaces, leather bracelets. All private labels made in China. For this assortment, a separate online shop was also created on Shopify.

The company has its own online shop. Otherwise, sales are made via the usual marketplaces. All orders are processed via a central merchandise management system. The range is constantly being expanded.

Current stock approx. 100,000 EUR (net purchase price)

In , the company generated 270.
