SAP Consulting

I am looking for an experienced and German-speaking ****SAP Consultant (m/f/d)**** who is interested in an entrepreneurial partnership. The aim is to jointly build an ****offshore consulting team**** and offer high-quality SAP services in Germany.

****Our concept:****

- * Establishment of an offshore team (e.g. in India, Turkey or Eastern Europe) for cost-efficient project execution
- * Joint customer support in Germany – on-site and remote
- * Focus on SAP modules such as MM, SD, FI/CO, Basis or data migration
- * Long-term development of a scalable business model
- * Combination of consulting, nearshore/offshore delivery and, if necessary,
