

Offer Corporate sales, firm sales, sales **Caretaker & Facility Service**

For sale is an economically stable service company in the field of caretaker service and building management, which has been run since . The company is organised as a sole proprietorship and offers a proven service package for the care, preservation and maintenance of real estate – for both commercial and private clients.

The company's headquarters are located in the eastern Munich area (Ebersberg area), but the operational focus is on the city of Munich, accounting for around 80% of customer relationships. The decision to sell is made for personal reasons (emigration). An orderly handover and induction by the owner is guaranteed.

The core business includes classic janitorial services such as property inspections, minor repairs, cleaning work (stairwells, windows, underground garages), outdoor facility maintenance and winter service.
