Full-service media agency

The renowned full-service media company , founded in and managed as a registered sole proprietorship with the Chamber of Industry and Commerce since , is up for sale. The MAW – Master At Work brand is protected and successfully established on the market with the slogan "Your guide through the digital jungle".

In recent years, the company has established itself as a reliable partner for business customers and institutions and offers a wide range of services in five core areas:

- Film and photo production
- Communication Consulting & Advertising Strategies
- Social Media Content & Management
- Digital print and graphic design
- Website creation

The business model combines individual commissioned production with ongoing services. Particularly noteworthy are the established social media subscription packages in four different flat-rate variants, which ensure recurring revenue and high customer loyalty.
