

Offer Corporate sales, firm sales, sales

Educational Institution AZAV

For sale is a fully AZAV-certified educational institution (GbR) with fresh certification by GZQ.

Included in the offer:

- AZAV carrier certification (Faculty 1 – applicant coaching already approved)
- Possibility to have further measures unlocked easily
- 10 experienced coaches who can be taken on if needed
- Over 300 qualified leads with prospects
- Professional website, domain and social media channels

Important for interested parties: An AZAV provider and measure certification alone usually costs around €10,000 and requires at least half a year of intensive work. With our training provider, you can start immediately, without waiting, with already certified measures and complete infrastructure.

An ideal offer for founders or existing providers who want to enter the market quickly and professionally.
