## **Bike**

Your chance to take over one of the highest valued companies in the leisure industry on the Costa Daurada.

We organize bike tours in the mountains near the coast. Our customers are picked up from their hotels and, together with the bikes, taken to the mountains. After unloading the bikes, guests roll down the mountain on safe and scenic roads.

At the moment we have three different tours in our program. All rated 5 stars. The takeover includes all vehicles, including two custom made bicycle trailers for 40 bicycles, over 40 bicycles of various kinds, all contracts with tour operators, website, etc. So you can get started right away.

The company is geared up so that we can operate comfortably as a couple, but now it's time for our retirement
