Property management

Experienced real estate economist (studies) with professional experience in the field of real estate management, project development and asset management is looking for a property management company to take over in the course of a company succession.

Wanted company:

- Established property management (condominium, rental or SEV management)
- Good portfolio structure and well-rehearsed team
- Location preferably in southern Germany (Bavaria/Munich)
- Gladly with office location and staff takeover

About the buyer:

The interested party is currently working in a management position in a real estate company and would now like to contribute his experience to his own company.

A long-term continuation in the sense of the previous owner is intended.

The transition can be designed gradually and individually to ensure a smooth transfer of knowledge and the assurance of corporate quality.

A solid financial basis is in place.

I look forward to making a first contact via the portal.
