Established Online Business for Toys & Baby Products – Ready for Immediate Takeover

An established online business specializing in toys, creative craft sets, and baby and toddler products is now available for sale. Sales are conducted exclusively through a major e-commerce platform with an excellent rating history.

The business is fully set up, operating smoothly, and can be taken over within a short timeframe. It is ideal for founders, e-commerce beginners, or entrepreneurs looking to start immediately with a proven seller profile.

The takeover includes the seller account, inventory, and existing infrastructure. Detailed financials and revenue figures will be provided upon request.

Asking price: EUR 15,000 plus inventory (negotiable).
