

Look for Corporate financing, investor

Trade and assembly of linear guides and drives

We are looking for financing or a silent partner to expand our business activities.

The complete business equipment with office, warehouse and machinery is available. The company operates profitably.

The turnover of almost 1,000,000 euros in 2025 is available.

However, the profitability is not sufficient for the planned growth at the moment. We are planning annual growth of 25 - 50%.
