Property management

Experienced graduate in business administration with many years of successful work in real estate development, asset management and real estate management is looking for an established property management company to take over as part of a company succession.

Wanted company:

Established property management (condominium, rental or SEV management)

Stable, well-maintained administrative portfolio

Well-rehearsed team and clear internal structures

Preferably in the greater Frankfurt or Rhine-Main area

Takeover of existing employees and the office location expressly desired

About the buyer/interested party:

The interested party has many years of experience as an independent entrepreneur in real estate development and real estate management as well as many years of management experience in asset and property management of renowned companies.

The aim is a long-term continuation in the spirit of the previous owner with sustainable further development of the company.
