

Offer Corporate sales, firm sales, sales **Educational institutions**

For sale is a fully AZAV-certified educational institution (UG) with fresh provider certification by GZQ from spring 2025. The company is being sold, including all certifications and structures, and has not yet been operationally operated.

Included in the offer:

- AZAV Carrier Certification in Faculty 1
- Already certified measure: Online applicant coaching, immediately usable
- Possibility of uncomplicated recertification of further measures – online or on-site
- Professional website, full branding, and a rare, valuable four-letter premium domain
- No current contracts or liabilities (€0 turnover)
- On request, mediation of experienced freelancer coaches (existing contacts available)

This offer is unbeatable in terms of price, as the AZAV certification and the measure certification alone usually cause many times the costs.
