

Look for Corporate participation, firm participation

## **Logistics, transport or disposal**

Search for an established company in the fields of logistics, transport and/or disposal. I am looking for an owner-managed company with a stable market position and an established customer base within a radius of 50 km around zip code 68xxx as part of a regulated company succession. We are also happy to have the opportunity to participate at the beginning. Please contact us discreetly to arrange a confidential initial meeting, stating initial key data (asking price, rough number of employees, zip code).
