Car dealership with authorized workshop

Sale of established motor vehicle businesses: authorised workshops for passenger cars and light commercial vehicles (commercial vehicles)

For sale are renowned specialist automotive companies that have existing authorisations and service contracts from well-known European brand manufacturers. The companies are fully qualified for the maintenance, repair and service of passenger cars and light commercial vehicles (commercial vehicles) and are established on the market.

Range of services and portfolio:

Brand loyalty: Valid service and workshop contracts with leading European car manufacturers.

Vehicle classes: Specialisation in the passenger car segment and the strategically important field of light commercial vehicles (up to 3.5t / 7.5t).

Infrastructure: Professionally equipped workshop areas that comply with current manufacturer specifications and CI guidelines.

Customer base: Grown structures with a loyal pool of private and commercial customers (fleet management).
