Event agency with markets & exclusive gastronomy for sale for reasons of age  
For reasons of age, we offer for sale an event agency that has been excellently established and economical for many years. The company is well established, has an excellent reputation and has been working professionally, reliably and trustfully with all responsible authorities for years.

The business concept

The core of the company is the organisation and implementation of high-quality event markets with art, culture, crafts and gastronomy – combined with its own exclusive sale of drinks and mulled wine at all events.
