## Offer Corporate sales, firm sales, sales **Outpatient care service**

Short advertisement – Outpatient care service (NRW)

For sale is an established outpatient care service in North Rhine-Westphalia, ongoing operations, not a start-up.

???? 2025: not a single month in the red

???? Profitable from day one

???? Arrive, take over and continue working

This offer is aimed exclusively at investors who:

don't want to start from scratch

want to avoid all initial risks

want to take over current sales and structure immediately

Not suitable for opportunists or people who:

want to "try something out"

looking for a cheap start

underestimating the build-up, stress and sleepless nights

The nursing service is fully functional, self-financed and economically stable.  
Not a restructuring case. Not an experiment.

???? ? No selling pressure.

The company is profitable – sale only with serious interest and fair valuation.

Further information only in case of serious request.
