## Interior Decorators

For health reasons, we are giving up our master interior decorator business, which has been successfully run for 40 years, in the trendy west of .

We are active in all trades of the interior decorator trade for a loyal customer base, often over generations.

We also count commercial customers among our clients.

The focus is on the upscale area of decoration and curtains, upholstery, floor coverings and parquet.

The company has complete equipment including machines, tools and inventory, as well as a showroom with a wide range of sample collections from renowned manufacturers.

The fleet takeover is possible if necessary.

The company is also a member of FHR.

A seamless continuation of the company is possible immediately. Ideal conditions for master craftsmen, start-ups or for business expansion.

Handover by arrangement.

If you are seriously interested, please contact us for more information.
