Metal construction / steel construction

Business succession wanted – Metallbau

Committed master metalworker (34 years old) is looking for a master craftsman position in the Ostholstein area with the clear goal of a later company takeover.

The company is looking for an established metal construction company whose owners would like to gradually withdraw from day-to-day business.

It offers professional competence, a sense of responsibility and the desire to maintain existing structures, employees and customer relationships in the long term and to continue them carefully.

A smooth transfer of operational responsibility is expressly sought.

Discreet contact is a matter of course.
