Silent Partnership TikTok Shop / Dropshipping Business

We are building a scalable, automated e-commerce business.

- Automation: Orders run directly through the shop system ? supplier ? shipping, all automatically.
- Products: 50 rotating products, weekly rotation of 5 products, 1-2 products per livestream daily.
- Livestreams: Mon–Fri, 1–2 h daily between 8 a.m. and 3 p.m. Income from audience contributions is reinvested directly for the office, studio and equipment.
- Test Purchases: Each product is tested once to ensure quality & presentation.

?

Business model:

- Sale via online store and TikTok store
- Dropshipping ? no warehouse required
- Professional videos above a certain revenue level ? higher conversion and reach
- Reinvestment of net profit for scaling, product rotation and marketing
