Look for Geschäftsführer, Geschäftsführung

Recycling - Circular Economy

We are looking for an entrepreneurially thinking, innovative managing director or partner to start, jointly develop and scale a business model with high future prospects.

What has already been introduced:

- Finished business and scaling concept
- Clear positioning in the growth market of the circular economy
- Digital booking and deployment platform (under development)

We are looking for:

A business partner or partner who:

- thinks entrepreneurially and wants to help shape things in the long term
- can contribute operationally, strategically and/or financially and recognizes a real long-term opportunity

Form of participation:

- Active partnership or partnership
- Participation, silent participation or joint venture possible
- Conditions and roles negotiable at eye level

It is aimed at personalities who not only want to invest, but also want to build, decide and grow.
