Business for sale more than 15 years

ID 26918

Offer Corporate sales, firm sales, sales **Staffing company**

A German medical staffing company (GmbH) based in Bavaria (Germany) is offered for sale. The company was founded in and operates in the field of temporary staffing within the healthcare sector.

The company holds a valid German temporary employment license (Arbeitnehmerüberlassungserlaubnis – AÜ) which is currently valid until the end of 2026. The company has already fulfilled the formal requirements to apply for a permanent (unlimited) license.

At present, the company has no active operations, which makes it particularly suitable as a corporate shell with an existing staffing license, allowing a buyer to restart operations quickly without going through the lengthy licensing process required in Germany.
