A long-standing and very successful burger restaurant in is being sold.

The restaurant is known beyond the city limits and has earned a very good reputation over the last 13 years. For sale is the entire restaurant with inventory etc. and a trained team, its own webshop, for online orders, burgers are also delivered outside the house.

The restaurant can accommodate 26 guests, with the out-of-home business, both take-away and deliveries also very strong.

It also has a permit for outdoor gastronomy, where there is space for up to three tables. The restaurant has been in my possession since , before that I worked as an employee myself.

There is a franchise agreement with the founder. The franchise agreement is also taken over.

The monthly fee amounts to 2.5% of net sales.
