Food Truck

I have a food truck in a rewe parking lot. I've been standing there for about 20 months from Monday to Saturday. I have 90% repeat customers and continue to grow. Sales per day about 1000€ per month in about 24k. I only give it away for concrete serious offers, because the truck has a ready-made concept and is a jackpot. Profit per month about 10k
Tendency rising. In , EVERYONE knows my foidteuck. I'm taking over a large business and that's why I'm giving it up. It is possible to buy or partial payment + revenue share.
