Carpentry Woodworking

We are looking for a carpentry business in Poland to invest in or take over. Due to the long-term planned closure of operations in Germany, we would like to continue our business at a new location with experienced production staff. Machinery would also have to be handed over.

Processing of solid wood / (imported wood from outside Europe).

Product range can be expanded together.

The majority of our customers are in Germany and Austria. We hold European trademark rights on our products.
