Offer Giving away business

Photostudio

Features & Highlights

- * High Ceilings: Approx. 4 m ceiling height, freight elevator.
- * Fully Equipped Studio: State-of-the-art studio including professional lighting, tripods, backdrops, furniture, technical equipment, and much more.
- * Amenities: Air conditioning, modern restroom with shower, and kitchen.
- * Premium Equipment Included: High-quality equipment will be handed over free of charge (representing savings in the high five-figure range).
- * Parking: On-site parking available.

Rental Terms

- * Lease: Attractive, long-term lease available for takeover.
- * Total Rent: Approx. €2,000 net "warm" (including utilities) plus VAT.

Requirements for Interested Parties

- * Financial Solvency: Verifiable proof of financial standing required to take over the lease.
- * Collaborative Usage: Willingness to share the space occasionally with the current operator (approx. 2x per month, dates to be arranged flexibly).

Application Process

To process your inquiry, we strictly require the following information in advance:

- * A brief introduction of yourself and your professional background.
- * A description of your intended use for the studio.

If you are seriously interested, I look forward to receiving your message to arrange a personal meeting.

Note: The photo is for illustrative purposes only.
