Scalable B2B Business: Corporate Health "Sleep Better"

For sale is a turnkey B2B asset in the growth market of corporate health/BGM. The interdisciplinary lecture concept "Sleep Better" is designed for immediate market entry in the DACH region. Location-independent.

It is ideal for founders as a direct entry or for existing companies (consulting, training, supplements) as a portfolio extension. The sale is due to a focus on another core project.

Content & USP

â€¢ Holistic approach that bridges the gap between theory and practice: biology, neurology, nutrition, stress management, exercise, sleep hygiene and bedroom design.

â€¢ The concept is specially tailored to the needs of SMEs and corporations.
