Inquiries from service providers, people looking for information on the shop structure or requests financial documents without a prior NDA will not be answered.

About the company

For sale is an owner-managed online shop for equestrian sports and equestrian sports, which has been active since 2020 with a supplementary stationary mainstay in Central Hesse. The company is clearly positioned in its niche " with a product range focus on horse health, care and safety as well as selected brand partnerships in the upscale equestrian segment, including products from the field of equestrian safety.

The sale is purely for reasons of time: the company is run as a sideline and deserves an owner who exploits the existing potential with full focus.
