## Offer Corporate sales, firm sales, sales **Premium Cosmetic and Aesthetic Institute forin Nuremberg**

For personal and strategic reasons, a high-end cosmetic and aesthetic institute in a very good location in Nuremberg is being offered for sale.

The institute is modern, stylish and fully equipped. It offers a wide range of treatments in the fields of advanced cosmetic treatments, bodyforming, skin analysis, facial treatments, laser/IPL, LPG, radiofrequency, cryolipolysis and other aesthetic applications.

The premises are tastefully designed and ready for immediate operation. The business is ideal for beauticians, aesthetic practitioners, doctors, medical cosmetic practices or investors who would like to take over and further develop an existing beauty and aesthetics concept.

Particularly attractive features include:

- an existing client base
- high-quality equipment
- professional booking system
- established operating processes
- stylish interior design
- strong growth potential
- possibility to expand into medical-aesthetic treatments
- central and easily accessible location in Nuremberg

The institute provides an excellent foundation for a premium concept in beauty, skin health and aesthetic treatments. The takeover can be arranged flexibly by agreement.

Further information, financial details and viewings are available exclusively to serious interested buyers upon personal contact.

Price and takeover conditions upon request.
